

## Custom Team Retreat

Get ultimate success and breakthrough with your team by taking them away on a corporate team retreat. One of the reasons company leaders scrutinise company retreats is because it takes time away from the office. While this is true, research has found that spending time away in an outside location provides employees with time to step back and re-evaluate their work. They head back to the office with focus, energy, and stamina which results in the whole team being happier and more effective.

We offer corporate retreats on a large variety of topics. Corporate retreats can be led with leadership groups or with an entire team. We could come in to deliver a half-day or full-day training with fun and interactive sessions from any of our courses such as the Life Languages Communication Breakthrough course (See page 7). We have a Life Plan and Business Plan intensive (See page 25) format that is suited for team retreats.

We could run sessions on discovering your individual or company values, vision, and purpose. We can facilitate sessions where we develop your strengths with communication, leadership, conflict resolution, rapport building, sales, or more. Our Leadership retreats are exceptional as they provide you a powerful way to become a breakthrough influential leader that is character and heart driven.

Furthermore, our retreats are often led with fun and creative team building aspects that get your team to really think and work things out. We have team development and team building activities that we could include in your retreat. Your leaders may have some of the sessions that they want to run internally. This is great as we will work with you to complement our part with you. As you can see there are possibilities for you. If you want to create lasting positive experiences and strengthen employee relationship with your company, then plan a team retreat with us.

Here are a few of the benefits you and your team will experience with a team retreat with sessions/activities from Breakthrough Corporate Training:

- Nurture closeness and bonds among team members
- Set new and common company goals and deeper learning
- Facilitate amazing communication breakthrough with team members
- Build up skills and effectively perform as a team

*'Shokai Group had the Life Language Communication Workshop today delivered by Scott & Nicole. It was fantastic. They are very friendly, passionate, professional, patient and they made the training very interesting. Everyone liked it and I believe we got to know more about ourselves and our communication effectiveness. Before the training, I was the one who contacted Scott. He is really helpful and always responded quickly & clearly. We are looking forward to having another training by them. Many thanks to Scott & Nicole. :)'*

Cynthia Xiang – Office Administrator at Shokai Group

*'Everything that we did together was so accurate and right away as Scott and Nicole described the different Life Languages I was able to identify how the Life Languages showed up in my life. I really liked how I wasn't boxed in with the Life Languages... I want to thank Scott and Nicole for facilitating for us because it's an awesome dynamic having them both lead as they both have such a high level of mastery and understanding of it that when they share it and communicate it they are able to make it so relatable. They each were able to share their own experiences and that made a big difference for us.'*
