Kevin Bergeron - President & CEO at MiEnergy

'Shokai Group had the Life Language Communication Workshop today delivered by Scott & Nicole. It was fantastic. They are very friendly, passionate, professional, patient and they made the training very interesting. Everyone liked it and I believe we got to know more about ourselves and our communication effectiveness. Before the training, I was the one who contacted Scott. He is really helpful and always responded quickly & clearly. We are looking forward to having another training by them. Many thanks to Scott & Nicole. :)'

Cynthia Xiang - Office Administrator at Shokai Group

'Everything that we did together was so accurate and right away as Scott and Nicole described the different Life Languages I was able to identify how the Life Languages showed up in my life. I really liked how I wasn't boxed in with the Life Languages... I want to thank Scott and Nicole for facilitating for us because it's an awesome dynamic having them both lead as they both have such a high level of mastery and understanding of it that when they share it and communicate it they are able to make it so relatable. They each were able to share their own experiences and that made a big difference for us.'
