

## The 12-Month Character and Principle Driven Team Programme©

Throughout this programme, you and your employees will become successful by developing principles in the personal and professional areas of character, vision, courage, and leadership. The extent of training and coaching can be customised to your company's needs. Here are some of the paybacks you will experience.

- **Character** – You will become a person of greater integrity and strength. Character will flow through you and your team as you will stand firm on your beliefs and not be swayed in the wrong and unjust ways. People will know you to work hard and to be someone who is dependable, humble, and honest.
- **Vision** – You will have vision and insight into things of the future and, therefore, will worry less and be more prepared. There will be opposition in your life and your vision will allow you to see that there is always a way through the tough times and you will continue to persevere and move forward.
- **Courage** – You will look fear, doubt, and shame in the eye and rise above. You will be able to deal with conflict, confrontation, and criticism better and be a witness to the power of forgiveness and releasing judgments. With a strong stand on morality you will deal with pressure and live with conviction and strength.
- **Leadership** – You will have a better direction for your future and people will look up to you and want to be led by you. People will be inspired and influenced by you and you will excel at building others up, understanding, and listening to people. You will become a well-rounded Leader that others will want to follow.

*'Shokai Group had the Life Language Communication Workshop today delivered by Scott & Nicole. It was fantastic. They are very friendly, passionate, professional, patient and they made the training very interesting. Everyone liked it and I believe we got to know more about ourselves and our communication effectiveness. Before the training, I was the one who contacted Scott. He is really helpful and always responded quickly & clearly. We are looking forward to having another training by them. Many thanks to Scott & Nicole. :)'*

Cynthia Xiang – Office Administrator at Shokai Group

*'Everything that we did together was so accurate and right away as Scott and Nicole described the different Life Languages I was able to identify how the Life Languages showed up in my life. I really liked how I wasn't boxed in with the Life Languages... I want to thank Scott and Nicole for facilitating for us because it's an awesome dynamic having them both lead as they both have such a high level of mastery and understanding of it that when they share it and communicate it they are able to make it so relatable. They each were able to share their own experiences and that made a big difference for us.'*
